

GREENCLEAN is probably the most versatile and powerful organic detergent in the world. Made from yeast extracts, betaine and salt, it is 100% biodegradable. From cleaning supertankers to fish aquariums, GREENCLEAN can handle most cleaning jobs.

GREENCLEAN, when diluted, is skin-friendly and non-toxic to humans and animals. Made from renewable natural resources. GREENCLEAN can be used in floor scrubbers, hot pressure washers, car washes and a wide range of other industrial cleaning systems.

For more information, please visit www.ropimex.com and search for GREENCLEAN in the "Chemicals" section.

How to use

Simply dilute the liquid according to the cleaning task. Shake well before use.

GREENCLEAN can be mixed with warm water.

Boat cleaning	1:20	Machine cleaning	1:10
Car steam jet cleaning for engine compartments	1:30	Metal and stainless steel cleaning	1:10
Concrete, stain removal	1:6	Oven cleaning	1:10
Dishes and cutlery cleaning	1:20	Pan cleaning	1:10
Engine cleaning	1:10	Petrol pumps and surrounding equipment	1:10
Floor cleaning	1:20	Plastic cleaning	1:10
Floor cleaning with cleaning machine	1:40	Pressure water dispensing	1:60
Flooring (non absorbant)	1:10	Windows	1:100
Glass cleaning	1:60	Work Benches	1:10

Please use the diluted liquid within 14 days.

Use a strong concentration (1:5–1:10) for cleaning.

GREENCLEAN

Detergent and Degreaser

Just add water

Cleaning with the power of nature

Your active contribution
to protecting the environment

GREENCLEAN removes grease and fat from ovens, cars and garden furniture. Ideal for cleaning caravans, boats, bathrooms, kitchens, alleys.

Removes red wine and coffee stains (applied to freshly stained fabrics) from clothes and carpets, it is 100% natural, completely biodegradable and non-abrasive.

Apply – rinse – dry.

For your oven or a reduced concentration for windows. It's that simple. 100 ml of GREENCLEAN concentrate makes up to 10 liters. Test on a hidden area. For a shiny finish, rinse and dry the freshly cleaned surface.

Safety information

GREENCLEAN does not contain hazardous ingredients; however: Keep out of reach of children. Avoid contact with eyes. In case of contact with eyes, rinse immediately with clean water and consult a doctor. If swallowed, seek medical advice (GREENCLEAN is alkaline). Do not freeze.

Storage

The storage or use temperature must not be below 5° Celsius.

Ingredients

Yeast and vegetable oil condensates, less than 5% anionic surfactants, fragrance. Palm oil free.

Readily biodegradable according to OECD 301 A.
